Group C: Upskilling courses needed to future-proof the current workforce

Facilitator: Paul Wilson, Connected Places Catapult

- Safety
- Don't lose the skills set – keep the old skills
- Skills stay the same but need future skills alongside them
- Simulation to keep old skills going and for new
- Cyber security
- Accredited courses for UK and internationally
- Skills gap in the middle – apprenticeships and returners but what about the middle?
- Middle shorten 6-year window
- WHERE ARE WE GOING?
