

UK ports agreed the following health and safety expectations for stevedores and vessel crew during container operations.

Your shipping line and our ports must:

- 1** Plan for safe loading or discharge

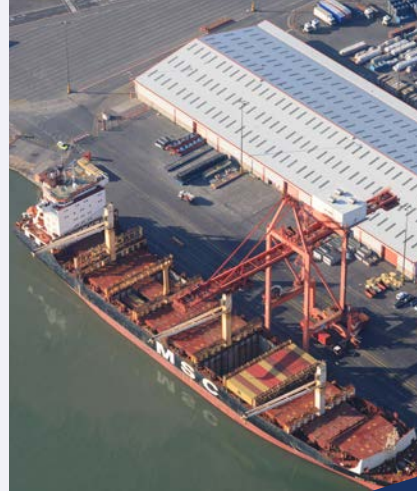

- 2** Ensure safe access and egress

- 3** Ensure functioning vessel lighting

- 4** Secure hatch covers

**Container
Deck Operations
Vessel and
Port Charter**

portskillsandsafety.co.uk

**One voice for Ports Skills
and Safety**

5

Use collective
and personal
fall protection

6

Handle
equipment
safely

7

Store
equipment
safely

8

Have lashing
inspected
by crew

9

Ensure clear
communication
between personnel

10

Report vessel
defects and
reparatory action
