

MARINA AND BOATYARDS

Level 2 Marina and Boatyard Operative Apprenticeship

Marinas and boatyards support key areas of the leisure marine industry. Marina and Boatyard Operative apprentices will train in a variety of operations including boat handling such as lifting and launching, pressure washing off, storage of boats ashore and berthing and movement according to company policy. They will become conversant with relevant legislation including codes of practice and operation of marina equipment. Apprentices undertake ONE specialism in chandlery, fuelling, rigging or lock and bridge operation.

DELIVERY

Learning and training will be delivered in the workplace with occasional release to attend training or courses offsite at an approved centre. Each apprentice will be allocated a dedicated trainer throughout the programme who will visit the workplace periodically and conduct regular progress review checks with the apprentice and line manager.

Apprentices will complete a training record book to confirm competence in the required knowledge and skills. Off the job training must equate to at least 6 hours per week over the course of the programme.

DURATION

Typical duration is 18-24 months depending on experience at entry.

ENTRANCE REQUIREMENTS

Employers determine their own entry requirements; however all apprentices must have at least a level 1 qualification in English and mathematics or above or else obtain an equivalent level qualification.

ASSESSMENT

Apprentices will be assessed using a variety of methods including observation, witness statements and work products. At the end of the programme they will undergo a graded End Point Assessment (EPA) conducted by an external assessor.

EMPLOYER BENEFITS

- All training costs met through the apprenticeship levy
- Increased efficiency and productivity due to enhanced performance
- Ability to recruit and fill skills gaps and manage succession planning
- Improved staff morale and retention

APPRENTICE BENEFITS

- A recognised level 2 qualification
- Proven competence relevant to the industry
- Increased employability and career progression

MARINE SOCIETY AND SEA CADETS (MSSC)

MSSC is a national charity and government-approved training provider. We deliver marine apprenticeships and education to the maritime sector and provide youth development to over 14,000 Sea Cadets nationwide. MSSC are accredited members of British Marine and Port Skills and Safety.
